

WHO WE ARE

The **European Potato Processors' Association (EUPPA)** represents the European potato processing industry, advocating for the interests of its members worldwide. Comprising **6 national associations** based in Belgium, France, Germany, Italy, the Netherlands, and the United Kingdom, alongside **16 individual companies**.

EUPPA accounts for over more than **90% of Europe's processed potato production** both in terms of value and volume.

INDUSTRY FACTS

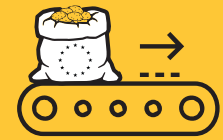

2023 Expected growth ⁽¹⁾

€7.3
BILLION/YEAR

Turnover ⁽²⁾

6
MILLION TONNES
